Dubai, UAE — February 23, 2024 — [Andrea Menzel](#), Value-Oriented Systemic Business Coach & Trainer at me. | Systemic Business Coaching & Training was honored with the “Outstanding Leadership Award” for her extraordinary achievements in the education and learning sector at the Education 2.0 Conference, held at the InterContinental, Dubai Festival City, Dubai, UAE, on February 20–22, 2024.

Andrea Menzel, a seasoned business coach and trainer, pioneers a people-centric approach in the digital transformation arena. Her journey spans roles from media designer and MarTech specialist to digital project manager and systemic business coach, showcasing her comprehensive digital expertise. Andrea’s innovative “Digital Transformer 360” program, grounded in value-oriented leadership and team dynamics, illustrates her commitment to integrating technology with human values.

She employs the 5-dimensional St. Gallen Coaching Model, advocating for a balance between technological advancement and the common good. Andrea’s work champions a new leadership paradigm, emphasizing technology as an opportunity to enhance human connections and drive meaningful progress in the digital age.

Andrea’s steadfast commitment to transforming the education sector made her a deserving candidate to be recognized at the Education 2.0 Conference.

The Education 2.0 Conference is a three-day global event uniting education experts, visionaries, and leaders worldwide. The recent Dubai edition delved into shaping the future of education amidst societal shifts. Through dialogue and collaboration, attendees explored current challenges and future opportunities in education. For more information on upcoming editions, visit www.education2conf.com.
